HEALTH & SECURITY

仙桃市利军无纺布制品有限公司
 XIANTAO LIJUN NON-WOVEN PRODUCTS CO., LTD

COMPANY PROFILE

Xiantao Lijun Non-woven Products Co., Ltd has been producing disposable non-woven products since 2003 with high reputation home and abroad.

Our factory is located in Xiantao City, Hubei Province. The factory covers an area 12,000 square meters and 300 employees in which there are over 10 percentage middle and high-level technical staff. All of the employees are well-trained to guarantee good quality and shipping goods on time. With an annual export more than 80,000,000RMB and steadily growth every year.

Our company specialized in various non-woven products such as disposable coverall, surgical gown, isolated gown, round/bouffant cap, mob cap, disposable face mask, CPE/PE shoe covers etc. We have been collecting the latest marketing information to lead high quality products. Simultaneously, we spend large sum of money on introducing the first-class equipment and technology. We passed ISO13485:2016/ CE/ FDA certification and was awarded as Xiantao Enterprises of Obeying the Contract and Reliable by the authority.

All our staff work with the principle of 'reputation is fundamental, time is money, quality is life and the service is key', Xiantao Lijun would make a steady and continuous development. We commit ourselves for a better quality products and customer services. After all, inquiries from both domestic and abroad customers are sincerely welcomed.
